Just  
**£1500**  
+vat p/yr

Our Speakers Mastermind group gives you the certainty, confidence and skills to grow as a speaker, trainer, coach and facilitator!

- Time, client issues, administration, red tape or sales performance an issue for you?
- Need to learn high level (hard and soft) skills from true experts in their field?
- Not sure where to start or how to get your speaking (or similar) business going?
- Want your grow your reputation, brand and business?
- Do you want to be part of a facilitated network of industry peers who support each other and hold each other accountable in their goals over a sustained period of time?

If you said "YES" to any of the above then this group is for you!

**Charlie Beswick – Confidence Coach**

**"It made a massive difference to my confidence and income"**

The Training & Development Agency suggest that entrepreneurs should spend 10% of their time in strategic development. Dedicated time working on skills, business development strategy, and personal effectiveness to improve business performance, and personal development.

### **The provision of dedicated time gives us a focus on:**

- Business performance and sales improvement
- Raising standards of delivery/performance
- Expert and peer feedback (sales, financials, comms, negotiation etc)
- Share challenges and opportunities in a confidential, supportive and trusted environment
- Peer support and accountability
- Improved effectiveness and well-being
- Personal and professional development

**Alastair Beacon - Consultant & Mentor**

**“The mastermind has been really helpful. I would not have achieved my goals this year by myself”**

# Be Honest...

**Which animal best  
describes your  
business right now?**

# About Your Group Hosts;

Your experienced, and expert peer group facilitators are  
**Claire Young and David Hyner.**

**David** has been a full time professional speaker for 23+ years and has presented to over 1.2 MILLION people live and over 200k virtually.

He has facilitated masterminds for 20+ yrs and in has seen many members change their businesses, careers and even personal lives in amazing ways. A researcher and multiple award winning speaker, author and publisher who delivers IMPACT!

Fellow of various organisations, Speaker hall of fame, and Lifetime achievement awards. Multiple author and former BBC Radio host.

**Claire** has run the speaking agency “School Speakers” since 2010 and is regarded as the leading speaker agency within the education sector. A former finalist on BBC The Apprentice, and expert on the subject of leadership, she was invited to join the Society of Leadership Fellows, Windsor Castle, for her impact on driving positive social change. She has a wealth of experience across the corporate (sales and marketing) and educational sectors.

**Mark Sears – Former Global Brand Manager for Virgin Group**

**“Thank you for knowing when to push me!”**

The group is delivered over a one year period enabling you to experience the support, accountability and expert training you need to grow your business and start achieving your goals.

Just imagine a situation where instead of feeling unsure and worried about your fees, income, or goals, you are clear about what you are going to do and how you are going to do it based upon advice from those who have walked the talk at the highest level for many years!

Feel confident about mixing with peers with different skills to your own, who support you in your commitments each Month. Imagine what you could learn from these people, and also what you could contribute to their development, and the possible joint ventures that could, and often do happen?

For your investment you will receive the year-long support and experience of Claire Young and David Hyner, plus the input from “expert trainers and speakers” on subjects YOU the members told us you wanted. In addition to this you access expert guest speakers and trainers on wide ranging subjects, audio programmes, video training, e-books, emails and much more besides.

“THE SPEAKERS MASTERMIND GROUP” is the quickest and easiest and most cost-effective way to learn how to become more effective in what you want to achieve AS A SPEAKER, TRAINER OR COACH.

**Sue Evans – Performance & Change Speaker/Coach**

### **It gives you:**

- The secret to setting and achieving goals like top achievers
- How to be a “professional” speaker
- Time management and business skills
- Business planning and negotiation skills
- How to plan your desk, office, team effectively
- How to speak / present with total confidence to make an impact
- The “speakers” sales and marketing skills to get results
- Developing the right reputation and brand
- Why emotional Intelligence is critical to your success
- How to prevent stress and manage energy levels

David and Claire are running this group at MUCH reduced rates for those in our industry to help you grow your business (and serve our industry), and so the group will run as soon as we have the minimum viable number of members. Places will be limited, and to receive an application form to see if you qualify for membership, please message David directly at [david@davidhyner.com](mailto:david@davidhyner.com) with your expression of interest and intent.

**Graham Frost – "Heart" shaped decisions speaker**  
**“Far in excess of what I thought I would get. I would have given up without this group”**
